STAT
VICE ADMIRAL JOHN T. HAYWARD RET.

4/9/77

Dear Stan:

A belated note of congratulations on your job and a vote of confidence to the President for being smart enough to select you for such a difficult job. I know it won't be a bed of roses but know of no one better than yourself to handle it. You certainly made a ten strike in getting Bob Bowie to work with you. Let me assure you if I can ever be of assistance please feel free to call on me. I am at present employed as a consultant to the Lawrence Livermore Laboratory which years ago I assisted in starting when I was with the AEC.

As a member of the Board of Trustees at Salve Regina I was glad to vote for the award of an Honorary Degree to you and hope to see you then at the College.

Regards

"Chick"
